## COMPANY PROFILE

### About

We are a plumbing and HVAC contractor, serving Saskatchewan since 2002. Projects range from schools, hospitals, office buildings and box stores.

Our service department offers residential and commercial installations, repairs, and preventative maintenance.

We pride ourselves in providing a high-quality product and will service and maintain that product for many years.

### Corporate Philosophy

Here at SaskWest Mechanical, we employ a hands-on philosophy both on the job site and in the office. All of our projects have the full support of our office management team.

Project crews are Red Seal certified tradespersons. Our clients can be assured their project will be as timely, efficient, and safe as possible.
