CORPORATE PROFILE

About

SaskWest Mechanical Ltd. is a plumbing, heating and HVAC contractor that has been serving Saskatchewan since 2002. Completed projects range from schools, hospitals, office buildings and box stores to as small as replacing a kitchen faucet.

SaskWest Mechanical prides itself in not only providing you with a great product, we will service and maintain that product for many years to come.

Corporate Structure

Here at Saskwest Mechanical, we employ a hands-on philosophy both on the job site and in the office. All of our projects have the full support of our office staff.

By staffing every project with trained ticketed professionals, both our firm and our clients can be assured their project is of the utmost importance.
